

Testers, Tools, Safety Equipment & Lubricants

Chemicals

Electrical Grade Contact Cleaner

Features:

- Suitable for cleaning sensitive electronics and electrical equipment
- Evaporates quickly, leaves no residue and is safe to use on all plastics
- Use where lower flashpoint cleaners are acceptable

Applications: Telephones, PCs, relays, edge connectors, tape heads, buss bars, circuits, contacts, printed circuit boards, switches & breakers

Part Number	Size	Description
02130CRC	11 Oz.	QD® Contact Cleaner

Heavy Duty Cleaner/ Degreaser

Features:

- New low VOC formula
- Removes grease, oil and lubricants with no water wash-off
- Controlled evaporation and leaves no residue
- Pleasant citrus scent

Applications: Air tools, mechanical brakes, clutches, chains, wire ropes, motors, dies, molds, parts, bearings, generators & compressors

Part Number	Size	Description
14170CRC	15 Oz.	Heavy Duty Citrus Cleaner/Degreaser

Heavy Duty Degreaser

Features:

- Specially formulated, water-dilutable, d-Limonene based degreaser
- Designed for extremely difficult cleaning jobs found in the industrial and cleaning environments
- Effective in dissolving grease, oil, ink and grime

Applications: Air tools, mechanical brakes, clutches, chains, wire ropes, motors, dies, molds, parts, bearings, generators, compressors, rollers, presses, automatic drip machines, floor scrubbers, power washers & other cleaning equipment

Part Number	Size	Description
14440CRC	15 Oz.	HydroForce® SuperCitrus™ Degreaser

Multi-Purpose Precision Lubricant

Features:

- Plastic safe lubricant, penetrant and corrosion inhibitor
- Helps prevent electrical malfunctions caused by water penetration, humidity, condensation or corrosion
- Restores resistance values and helps stop current leakage

Applications: Connectors, relays, circuit breakers, transformers, switchgear, motors, generators, controls, instruments, communication assemblies, electronics, alarm systems, starters, tubing, castings, gears, weld rod, wire, fixtures, dies, jigs, shim stock, chucks

Part Number	Size	Description
02005CRC	11 Oz.	2-26® Multi-Purpose Precision Lubricant

Chemicals

Electrical Silicone Lubricant

Features:

- Specially formulated to lubricate, waterproof and protect electrical components
- Helps prevent corrosion to electrical equipment located in wet or harsh environments

Part Number	Size	Description
02094CRC	10 Oz.	Dry Film Silicone Lubricant

Cutting Oil Thread Cutting Lubricant

Features:

- Superior thread cutting lubricant for use on all types of metals, including brass, copper and aluminum

Applications: Tapping, threading, drilling, sawing, shearing, turning and reaming metal parts, pipes, conduit, screws, bolt houses, housings, aluminum sheets, strapping, gears and chains

Part Number	Size	Description
14050CRC	12 Oz.	Thread Cutting Lubricant

Dark Cutting Oil

Features:

- Reduces friction and acts as an effective coolant and anti-weld agent during hand thread cutting operations and when using low rpm machines
- Designed for use with higher RPM machines
- K-11 additive provides increased lubricity for longer die life
- Will cut smoother, sharper, unbroken threads, Will not congeal above 20 degree F
- Formulated with sulfur to facilitate the cutting of sharp, unbroken threads during hand threading or low rpm threading machine operations
- Free Flowing non-clogging formula for easy pumping in automatic systems
- Penetrates quickly and keeps dies cool and protected even after being recycled
- Thread cutting formulas are for use with steel and brass pipe and conduit
- Do not use to cut threads in stainless steel or soft metals such as aluminum

Part Number	Size	Description
94272RECTOR	1 Gallon	RectorSeal Dark Cutting Oil

Screwloose Oil

Features:

- A no-compromise penetrant that attacks corrosion to free corroded fasteners & mechanical components
- A super-fast, powerful, concentrated penetrating solvent that loosens rust scale & corrosion
- Instantly penetrates minute & tightly fitted crevices

Part Number	Size	Description
03060CRC	11 Oz.	Screwloose® Super Penetrant Industrial Penetrating Oil

Testers, Tools, Safety Equipment & Lubricants

Chemicals

Zinc-It® Instant Cold Galvanized Coating

High performance coating of 95% pure zinc that electrochemically bonds with ferrous metals to form a galvanic cell and dries quickly. It actively fights rust and corrosion. Use as a touch-up for damaged galvanized coatings.

Part Number	Size	Description
18412CRC	13 Oz.	Instant Cold Zinc Rich Galvanized Coating

Minimal Expansion Foam

Features:

- Used to fill, seal, bond, retrofit, insulate and deaden sound in and around cracks & cavities
- Forms a permanent, waterproof and airtight bond to most surfaces
- UL classified as a caulking sealant

Applications: Filling, insulating, sealing, bonding, HVAC, electrical, industrial, plumbing, around electrical outlets, utility panels, ducts, pipes, doors, windows, base plates, joints, cracks, crawl spaces, foundations, spot insulating, touch-ups

Part Number	Size	Description
14077CRC	12 Oz.	Expansion Aerosol Foam Sealant

High Strength Insecticide

Features:

- Fast-acting, high strength insecticide
- Ergonomic trigger that provides control and is accurate up to 20' away

Part Number	Size	Description
14010CRC	14 Oz.	Wasp & Hornet Killer PLUS™ Insecticide

Upside Down Marking Paint

Features:

- Clearly and effectively marks the location of underground utilities
- Colors meet the A.P.W.A. One Call International Color Standards
- Safe to use on turf grass, fields and golf courses

Applications: To identify and code surfaces such as metal, concrete, asphalt, gravel, soil, trees and grass for construction, utility, recreational, municipal and landscaping sites, golf courses, nurseries and surveying

Part Number	Color	Size	Description
18204CRC	Alert Orange	16 Oz.	Upside Down Marking Spray Paint

Chemicals

Indoor/Outdoor Spray Paint

Features:

- Versatile, general-purpose, quick-dry, non-fading coating for use in exterior and interior applications
- Recommended for general use in every day factory and contractor applications

Applications: Interior and exterior use on wood, metal, plaster, masonry, glass, pottery, wicker, paper and cloth

Part Number	Color	Size	Description
18000CRC	Red	10 Oz.	All-Purpose Enamel Spray Paint
18001CRC	Yellow	10 Oz.	All-Purpose Enamel Spray Paint
18002CRC	Blue	10 Oz.	All-Purpose Enamel Spray Paint
18004CRC	Orange	10 Oz.	All-Purpose Enamel Spray Paint
18005CRC	Black	10 Oz.	All-Purpose Enamel Spray Paint
18006CRC	White	10 Oz.	All-Purpose Enamel Spray Paint

Rust Proof Enamel Spray Paint

Rust resistant, premium quality alkyd enamel. Designed for moderate to severe corrosive environments and is specially formulated to resist rusting, peeling and fading. Fights weathering, salt spray and the most severe and demanding industrial conditions.

Applications: For use on iron, steel, wood and aluminum

Part Number	Color	Size	Description
18114CRC	Machinery Light Gray	15 Oz.	Rust Proof Enamel Spray Paint
